PATROL TIMES

From Labour weekend until mid-March our Volunteer Surf Life Guards patrol the beach on weekends from 12 noon - 5.00pm. During the Primary School Holidays (December/January) patrol hours are from 10.00am - 7.00pm.

The Facility is available for hire during these times however, it is important that users are aware of this regular activity and any disruption it may cause to your function. Surf Life Guards will be aware when a function is scheduled at the facility and they will take realistic steps to minimise any disruption.

Surf Life Guards are regularly called to assist with afterhours rescue call outs, so this is something facility users need to be aware of. The team will only be using the downstairs part of the building to pick up the appropriate rescue gear.

The facility is designed to allow multiple groups to use it seamlessly, without intruding on each other.
